Dear Dr. Huan:

I am interested in the summer internship at Timber Creek Veterinary Clinic that was listed through Career Services at Parkway College. Currently a junior majoring in Veterinary Technology, I have completed the coursework required for the internship.

My experience through school laboratory work, part-time jobs, and community service includes the following:

- Collecting patient histories
- Assisting during routine physical examinations
- Recordkeeping
- Grooming dogs

I will call you next week to discuss the possibility of scheduling an interview.

Sincerely,
